

Please take a moment to reflect on what this congregation means—not only to you, but to the many lives it touches. What would feel truly good to give each week or each month to help sustain BBUUC now and for generations to come? Your pledge is more than a dollar amount; it is an expression of care, commitment, and shared responsibility for our spiritual home. We invite you to give as generously as you are able, with a heart as open and magnificent as the community we are building together.

Our goal for the coming year is \$180,000, and we truly believe this is within our reach. Together, we can do this.

How much should I pledge? This chart is one way to think about your answer. A pledge unit is an individual or household who has promised to support BBUUC financially. Consider what would feel really good to give. <i>Do a little math. Consider an amount per week (x52) or per month (x12).</i>		Actual 2025-2026 Pledges <i>per Pledge Unit</i>	Target 2026-27 Pledges What can you pledge to support our Mission & help our congregation thrive? If you aren't able to move up a step now, could you set a goal for next year?
